Liberal Meeting at Gleichen

INTEREST CUT IS URGED AT LIBERAL

Gleichen Candidate objects to method of letting highway contracts. A plea for reduction of the provincial debt and interest charges was advanced by V. S. Kington, provincial Liberal candidate for the constituency of Gleichen, at a Liberal meeting at Gleichen Saturday evening. W. R. H. Brown, K. C. provincial Liberal leader, also appeared for support of the Liberal party.

Mr. Kington referred to the letting of contracts for the main highway debarments, the contract should have been let in sub-contractors direct rather than to allow the main contractor to sublet, thereby giving the same opportunity to the small contractors.

Mr. Brown, outlining the Liberal provincial platform declared that some form of insurance against hail and other farm catastrophes, must become the obligation of the provincial government. Some policy in this regard, he said, must be worked out. He also referred to the present monetary system, which, he said was forcing the province into bankruptcy.

WEDDINGS

MAY - JACOBS

A pretty, but quiet wedding was solemnized at the Central United Church at Calgary on July 10th, by Rev. Locke, when Beryl Claire, only daughter of Mr. and Mrs. A. B. Jacobs of McMillan, became the bride of James Ernest only son of Mr. and Mrs. J. H. May of Strathmore.

The bride was given in marriage by her father. The bride was dressed in pale rose organdie, white shoes and white tulle, and carried a bouquet of pale pink roses. The bride was escorted by Miss Alice May, who wore a pale pink crepe dress, hat to match and white shoes and carried a bouquet of sweet peas.

The groom was attended by Mr. Norman Jacobs, brother of the bride. Only the parents of the bride and groom and their immediate friends were present.

Mr. and Mrs. May will reside at Balmore where Mr. May is engaged as teacher.

CROWFOOT

Miss Ruby Carrott had as her guest for several days Miss Rosemary Formos of Cardale.

Miss Elva Schumann was the guest of Miss Myrtle Harwood during the week.

Mr and Mrs C and Mr and Mrs F Harvey motored to Calgary on Sunday last.

Mr and Mrs H G Scheer were host and hostess at a truly delightful supper party on Friday evening of last week.

Miss Edith Patching of Calgary is spending a very pleasant week at home with her parents Mr and Mrs P A Patching.

Miss Ruby Kluck of Didsbury is the house guest of Mr and Mrs H G Scheer and family for a few days.

BAINTREE

Mr David Longbottom has found a new way of reducing. Sell ice cream in the grandstand at the Calgary Stampede. He says it is guaranteed to reduce a pound a day.

Mr and Mrs J E May have taken up residence in the seclusion. The house has undergone drastic changes since it came under new management.

Mr Chas County is able to be around again after a long sickness in the hospital. The chief result seems to be that he has to carry a cushion with him.

Mr F H Deiborger was home for the week end.

Miss Watson was successful in securing a position as teacher near Raymond.

Crops here are looking fine. With no bad luck there should be a good harvest.

CARSELAND

The postponed Social Credit picnic was held at the Wyndham Park on Saturday last when a goodly number turned out to enjoy an afternoon of sport and to discuss the questions propounded by the new political party.

Sunday afternoon and evening the Park was the rendezvous for visitors from all corners of the compass, who sought, and the best, a place of green freshness and of cooling waters. The vicinity of the flow around here affords beauty spots that do not need to be apologized to much better advertised pleasure resorts.

The C G I P Camp held last week at Williams Cove was unfortunately broken up by the rains, which were, however, particularly acceptable and appreciated in the vicinity of the camp. The Camp was dissolved on Friday instead of being carried on until the following Monday. Better luck next time.

Ben Ixson of Inland, held week travelled to Vancouver to join his ship. Ben has become apprentice on a steamer connected with a line operating between Vancouver and Cardiff Wales. We wish him bon voyage and success in his new sphere. His father accompanied him to Vancouver.

Saturday evening two sort ball games were played in Carceland, when the Inland girls met the Carceland nine and won to the tune of 20 to 12. Following that game one was played by two men's teams from Carceland and Inland. Carceland were the winners to a lively tune in this event. After the games a dance was held in Giles hall.

NAMAKA

A Conservative meeting will be held in the I O O F Hall on Friday July 24th at 8:30 p.m. Two prominent speakers from Calgary will attend. Come and bring your friends.

Margaret Pawkes is holidaying in Calgary, the guest of Mr and Mrs Huntington.

The girls ball team played at Tudor Wednesday bringing home the honors.

Millie Bremner left last week to fill the vacancy in the Cheadie Bates ball team during the absence of their catcher Florence Craig.

Mrs Anglin, Harold and Grace, or Glickson spent Sunday at the home

of Mrs Althens, accompanied on their return by Jean.

Miss Gladys Fairbrother of Calgary is a guest at the home of her sister Mrs Diggar.

Mrs Jas McEwen and Mary Louise accompanied by Lester McEwen motored to Chesholm for the week end.

The Namaka friends were shocked to learn on Tuesday of the death of Mr Epp, former school teacher at the Namaka Farm. Mr Epp was well known in the vicinity and won the esteem of all who knew him.

Miss Marjorie Wooster and Dorothy Colpo are holidaying at Sylvan Lake. Mrs Miller and family are holidaying at Waterton Lakes.

Mr and Mrs Johnson, Mr Johns and Mildred accompanied by a Mr and Mrs Mackie and family spent a pleasant picnic at Downess.

ROCKYFORD

Miss Joth Mitchell became the bride of Mr Jack Agate last Saturday, the ceremony being performed at the Pro Cathedral, Calgary.

Mr and Mrs Stephenson and family of Medicine Hat were the guests of Mr and Mrs Gillespie for a few days, and Mr and Mrs Strathford of Bonaville have been the guests of the Carpentier house.

The Boy Scouts went to Camp at Rosebud last Thursday with Mr Vermaut in charge, the Scouts being from several different towns.

Miss Edna Gablehouse has been visiting friends in Calgary for the past week.

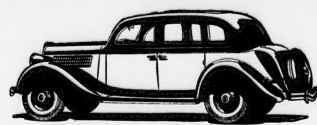

The Young Liberals had a picnic recently at Carceland Dam and from all appearances they enjoyed the water-melons donated by Bill Clements.

Mr and Mrs Louis Koppel and family report enjoying every minute at their old home town near Lake Huron.

The flower gardens in town, and the surrounding community are gorgeous now. A good evidence of what irrigation can do.

NAMAKA FARM

Mr J J Willis and his bride, Miss Martha Hinz, a former teacher of Namaka Farm School, have motored to Wadhams, Sask. the bride's home where they will be married on July 19th. Mr Peter Thiesen is taking charge of the farm during Mr Willis absence.

YOU BUY ROADS, TOO!

WHEN you buy gasoline, you also buy roads over which to drive your car.

Approximately one-fifth to one-third of the price you pay goes directly to your Provincial Government in road tax.

Twelve years ago there was no gasoline tax. Today the tax ranges from six to eight cents per gallon. And yet the cost of gasoline to you is no more because during those twelve years the price of gasoline has been steadily reduced.

The accompanying chart shows how the price of gasoline to the retailer has decreased and the gasoline tax has increased since 1924. In 1924 the average price to the retailer of all gasoline sold in Canada was 26.6 cents per gallon. Since 1924, the price has fallen almost continuously until in 1934 it stood at the unprecedented low of 14.8 cents—a decrease of 29 per cent. But as the price of gasoline fell, the tax on gasoline rose. The data for this graph are based on figures published by the Dominion Bureau of Statistics.

Imperial Oil played a leading part in the developments that made lower prices possible. But lower prices were not achieved at the expense of labor. Imperial Oil employees have always been well paid. They work under ideal conditions. They have sickness and death benefits and pensions plans to protect them and their dependents. Five thousand of them are part owners of the Company. They are given every incentive to work efficiently and happily. The result has been better gasoline at lower and lower prices.

LIBERAL KEYNOTE SPEECH

Mackenzie King to speak at Kingston about August 7th in support of Candidature of Professor Norman Rogers.

At Hon. W. L. Mackenzie King, leader of the Liberal opposition in the House of Commons, probably will deliver the keynote speech of his party's general election campaign in Kingston on or about August 7. It was learned recently.

He will speak in support of the local Liberal candidate, Professor Norman Mackenzie Rogers of Queen's University, private secretary to Mr. King during part of the latter's term as Prime Minister.

Professor Rogers recently published a biography of the Liberal chief, Mr. Mackenzie King, and Mr. A. E. Ross, present Conservative member for the Kingston riding.

No further details of campaigning plans of the Liberal leader have been disclosed. Evidently Queen's University does not agree with the policy advocated by the University of Alberta, in that the latter disapproves of her Professors taking an active part in the political field.

We agree with the former. Why should a man because he does the Academic Gown shut himself off from the serious and very vital field of politics. Rather should their trained and educated judgment bring a fair balance to bear on various political questions. Politics and politicians are not all disreputable. But it is the eyes of some of them, and the more urgently do we need the man of trained, balanced thinking to come out from his cloistered seclusion, and give to contemporary humanity, a solution for the ills that beset, and show an open door to freedom of thought and action.

According to the latest figures 11.6 per cent of the population owned motor vehicles in Alberta in 1934 and, in that year, they contributed \$1,295,168, or 22.3 per cent of the cash revenue received by the province in the 12 month period.

G. C. KING PASSES

LONG CAREER ENDED

All people of Alberta and indeed of Western Canada mourn the passing of one of our most prominent citizens in the death of G. C. King, O.B.E. He was the first member of the N.W.M.P. to arrive in Calgary in 1875. In 1887 he became manager of the G. Baker trading store, where he continued until the year 1888, when he became postmaster of the city of Calgary, which position he enjoyed for a period of over 26 years. He was Calgary's second Mayor from 1888 to 1891, during which time he welcomed Sir John A. and Lady McDonald, on the first train to reach the frontier city in 1880.

In 1894 he was recognized in the development of Calgary and district were recognized in the King's New Year House List when he was named a member of the Order of the British Empire.

Admired and respected by all people, his finer tribute can be said than that of his brother Montie Col James Walker, a friendship of 50 years standing, said: "He was a reliable man. I have known him since 1880 and you could always depend on him."

IMPORTANT APPOINTMENT

Prime Minister R. B. Bennett has just announced the appointment of 10 new Senators, the personnel of the Unemployment and Social Insurance Commission, several high judicial posts and the new commissioner of justice.

Following are the appointments, Senators, Hon. E. N. Rhodes, present Minister of Finance; Col. Theo Cantlay, Pictou, N.S.; F. J. Quinn, Halifax; J. R. P. Robichaud, Nova Scotia; Hon. J. A. McDonald, P.E.I.; Hon. Geo. B. Jones, New Brunswick; Hon. Arthur Sauve, Quebec, present Postmaster General; Hon. Donald Sutherland, Ingersoll, Ont.; Col. James Arthur, Ferry Sound, and Mrs. Howard Fallis of Peterborough, the second woman Senator.

Justice Patrick Kerwin to the Supreme Court of Canada; Chas. T. McTigue, Windsor to the Ontario Supreme Court; Hon. Alfred Delandean to the Quebec Superior Court and D. McKinnon, K. C. Charlottetown to become district judge in Admiralty Court P.E.I.

Commissioner of Patents, James Thompson Mitchell of Ottawa. Unemployment and Social Insurance Commissioner Hon. G. S. Harrington, chairman, Tom Moore pres. of Trades and Labor Council and N. R. Boudet.

THE RECONSTRUCTION PARTY

CANADA'S NEWEST

POLITICAL PARTY

The Reconstruction Party, under the leadership of the Hon. H. H. Stevens, made its initial bow to the Canadian electorate when they opened their campaign with coast to coast broadcast from Hamilton, Ontario, with a fifteen plank platform. Mr. Stevens stated that he had accepted the leadership of the new party at the request of a delegation representing all parts of Canada. He intends making a trans Canada speaking tour in the near future and has just published a 400 word manifesto.

A C Mackay of Calgary is his local representative.

P. E. I. ELECTIONS

Unparalleled in the history of Canadian politics was the one hundred per cent victory for the Liberals in the P. E. I. Elections of Tuesday last. Premier-elect Rea has the honor to be the first former premier of that

province and confesses that he is somewhat at a loss to know just how to conduct parliamentary procedure without any formal opposition in the House. It is interesting to note that with such an overwhelming victory for the Liberals not a single opposition candidate lost their deposit.

WEEKLY LETTER

Lethbridge Experimental Station
 Warble Flies, Bots and Gophers
 The writer of this weekly letter
 was recently in a local drug store
 and was surprised to note a display
 of preparations for the control of
 warbles and gophers. In conversation
 with the druggist it was learned
 that there was considerable demand
 for such preparations, and as this is
 the incorrect time of the year for ef-
 fective control measures to be prac-
 tised it appeared that a number of far-
 mers are misled regarding these pests.
 It occurred to us that a
 weekly letter telling what not to do
 at this season of the year would be
 as valuable as one telling what to do
 at the proper time.

Each of the three pests, warble
 flies, bot flies and gophers, cause
 considerable damage annually. Fortu-
 nately effective control measures have
 been developed for at least two of
 them, and it is only a matter of or-
 ganized timely application of these
 measures that is required, but any at-
 tempt at the destruction of these
 pests during the summer months will
 be largely a waste of time, money
 and energy. It is true that this is the
 time of the year when they are in
 evidence, but it is also the time of the
 year when control measures are
 least effective.

The warble fly, or bot fly as it is
 commonly known, is most prevalent
 during the months of June, July and
 August, on bright warm days. The fly
 neither bites or stings, but simply de-
 posits its eggs on the hairs of the
 legs, flanks and bellies of cattle, but
 this is sufficient to cause stampeding
 of herds. The fly feeds but apparently
 exists only to reproduce.

No satisfactory means of destroying
 the flies has been developed, but it
 has been discovered that an effective
 control of this pest can be obtained
 by destroying the grubs or warbles
 during the late winter and early
 spring months when they are to be
 found in the backs of cattle. The only
 practical method of preventing the at-
 tacks of the flies is to provide a dark,
 shady shelter for the cattle during
 the summer months, as the flies
 work only in bright, sunny areas.

Bot flies are in the same category
 as the warble flies inasmuch as the
 flies are troublesome at this time of
 the year whereas the greatest damage
 from the bots is caused during the
 winter months. Treating horses for
 the destruction of bots during the
 spring or summer is of little or no
 value as most of the bots will have
 passed out of the digestive tract of
 the horse. The proper time to treat
 for the destruction of bots is during
 midwinter when danger of reinfection
 is largely over.

or yllite can be done in destroying
 the botfly, but relief can be given

insect from to attack of the flies by
 the use of various appliances which
 interfere with their attacks, and also
 by providing shade for horses that are
 not working.

The bot flies, gophers, to be dealt
 with in this letter, presents quite a
 different problem but probably causes
 as great losses as the other two pests.
 It is really surprising the amount of
 damage which can be observed in some
 fields where control measures have
 not been applied. Too many farmers
 wait until their control measures un-
 til the time of the year when the dam-
 age is being done, whereas the ear-
 ly spring when feed is scarce and be-
 fore young are produced is the logical
 time for the use of poisoned bait.
